# COVID-19 Prevention

- Wash your hands regularly with soap and water or clean them with alcohol-based hand rub.
- Wear cloth face covering while in public and when you're around individuals outside of your household
- Maintain at least six feet distance between you and people coughing or sneezing.
- Avoid touching your face.
- Cover your mouth and nose when coughing or sneezing.
- Stay home if you feel unwell.
- Refrain from smoking and other activities that weaken the lungs.
- Practice physical distancing by avoiding unnecessary travel and staying away from large groups of people
